Futuramic's Clean Water Center warranty extends and supplements the manufacturer's warranty that is included with system.

Futuramic's Clean Water Center units are conditionally guaranteed against defects in material and workmanship for a period of **10 years** when supplied with water containing less than 20 grains per gallon of hardness, less than 3 ppm of iron and less than 0.03 ppm of manganese. **5 years** if hardness, iron and manganese levels exceed 10 year warranty limits unless specified in this warranty.

Futuramic's Clean Water Center fiberglass mineral tanks are conditionally guaranteed for the **LIFETIME** of the original owner except for damages due to freezing, high pressure (120 PSI and above), extreme temperature (100 degrees F and above) or a vacuum on the system.

Futuramic's Clean Water Center brine tanks are conditionally guaranteed against defects in material and workmanship for a period of **10 years**.

Futuramic's Clean Water Center control valves are conditionally guaranteed against defects in material and workmanship for a period of **10 years**. If the control is found to be defective in workmanship by Futuramic's Clean Water Center within **10 years** of the date of purchase it will be repaired or replaced on a no charge basis at Futuramic's Clean Water Center's discretion.

Futuramic's Clean Water Center water conditioning media is conditionally guaranteed against defects in material and

workmanship for a period of **20 years**. The warranty does not cover change in water test, mis-application of media, the use of mineral cleaners in brine tank including salt additives, lack of maintenance, nor other acts of God.

The above provisions of the guarantee will be valid as long as the unit is connected with identical properties and conditions of the original installation and owned by the original owner. Provisions should be made by the owner, that in the event of a leak in fitting or overflow of brine tank that the resulting flow of water will not damage any surroundings. No responsibility is assumed for loss of use of the unit, inconvenience, loss or damage to personal property or any consequential damages.

This guarantee extends only to repair or replacement (at Futuramic Clean Water Center's discretion) of this product in accordance with conditions stated within.

Futuramic's Clean Water Center shall be responsible for any labor necessary to repair, replace, or adjust the water system during the first 10 years, provided that the problem is related to equipment under warranty. Any service provided for a problem not related directly to the equipment will be charged at normal service call rates.

Regularly scheduled carbon replacement cost on EVRC resin/carbon, EV2CR Crystal-Right/carbon, and EVBF filtration systems are not covered under this warranty.
