Product Description

The Outdoor Lifestyles Lanai 60-Inch Linear Outdoor Gas Fireplace with IntelliFire Ignition elevates your space with a sleek, modern outdoor fireplace designed to create an open-air retreat. With a clean, frameless look and end-to-end ribbon flames, the Lanai combines performance and elegance in one weather-ready unit. Crafted from rust-resistant stainless steel, the Lanai is built to endure the elements while delivering up to 65,000 BTUs of powerful outdoor warmth with a generous 60" x 17" viewing area. The IntelliFire™ Ignition System ensures safe, reliable operation, while the included glass wind guard maintains a steady flame – even on breezy evenings. A vibrant LED lighting system illuminates the stainless-steel interior in your choice of eight colors and three brightness levels, all controlled with the included weatherproof wall control. No chimney or venting is required, making this outdoor fireplace insert a seamless fit for patio walls, exterior lounges, or poolside retreats. Optional upgrades include a safety screen, ceramic stones, or driftwood logs for added protection and personalization.
