Work Location: 1702 S 150th Ave, Omaha, 68144
Heartwood Estates, Lot 22 - Crockett

County: Douglas

Henton Trenching and Excavating, Inc. proposes the following bid for the above mentioned project. Any exclusions are as indicated below.

Install 1" copper water service & 4" sewer service

\$6,820

HTI Technician: *John R. Henton*

Estimate is valid for 30 days. Estimate does not include permit, inspection fees, or sales tax, if applicable. Project will be left in a rough grade condition. Basement staking to be done by others. HTI is not responsible for compaction, replacing grass, landscaping, lawn sprinklers, ground settling, silt fencing, broken or cracked concrete, or any other existing structures in the work area. HTI is not responsible for damage to privately owned utilities that are not located by owner. HTI is not responsible for 3rd party injuries in or near work area.

Septic system area can not be compacted, filled or used for any type of construction driveway, before or after the septic system is installed. If the septic system site is moved from the proposed area or the area is disturbed, a new percolation test will be required by the County inspector, at the builder's/owner's expense. Septic system excavations can not be compacted; settling will probably occur.

Payment due within 30 days upon completion of work; interest added thereafter. Lien will be filed on property if payment is not received after 76 days.

We accept checks, money orders and/or cash. We accept credit cards but a 5% processing fee will be added.
