Special Instructions	Notes
Quote based on PRELIMINARY PLAN dated 7-17-2026 Steel Beams, Columns and connections to be provided by Others. Zero entry and lowered entry at front of house as per plans. 18" floor trusses @ 19.2" at 1st floor 11-7/8" TJI floor system at 2nd floor Roof trusses per plans	Pricing is subject to review if Proposal is not accepted within 7 days. Pricing is subject to review if project start is past 30 days of Proposal acceptance. Disclaimer Note: Millard Lumber uses proprietary software for sizing trusses, I-joist, wall panels, beams, dimensional, and load development to ensure building code compliance, thus material estimated may deviate from products specified on plans. Estimate totals will reflect the use of these code compliant products. It is recommended that a licensed structural engineer review all layouts, beams, headers and material sizes. The quality and detail of the estimate correlates directly to the quality and detail of the plan provided to Millard Lumber from a third party. Estimated layouts are to be used for material purposes only and Millard Lumber will furnish only the material enumerated in the estimate. Additional material not assessed in the estimate may be purchased with current pricing.
