

3/5/2025 QUOTE- Generator options

PROJECT NAME: Schachne Residence – 13651 Cuming St.
PREPARED BY: JEREMY FRANSON (402) 740-2368

Option #1 – Provide and install (1) 200-amp transfer switch for future generator.

LABOR AND MATERIALS: \$2,750.00

Option #2 – 26 KW (100-amp load) Kohler generator with transfer switch. Generator pad, start-up and installation of generator included in bid. Gas line and hook up by others. This pricing is good for generator location up to 20' from transfer switch location. Additional distance will be billed accordingly.

LABOR AND MATERIALS: \$15,000.00

Option #3 – 48 KW (200-amp load) Kohler generator with (2) 200-amp transfer switches. Generator pad, gas line and gas hook up by others. Start-up and installation of generator included in bid. This pricing is good for generator location up to 20' from transfer switch location. Additional distance will be billed accordingly.

LABOR AND MATERIALS: \$32,500.00

This proposal does not include any charges related to possible tariffs. Price changes or fees billed to Custom Electric, Inc. due to tariffs, will be passed on to you.

If you have any questions, please contact me at (402) 740-2368

Sincerely,
Custom Electric, Inc.
Jeremy Franson
