Hi Stephanie,

The Cozi Chino is a porcelain tile and doesn't require any specific care instructions. You can mop this tile with a neutral pH or mild dish soap, and you'll be just fine. I would recommend going back over it again with clean water, to remove any soapy residue. Dry with a clean cloth or towel.

Let me know if you have any questions.

Thanks

Jon Anderson

Hi Jon,

Perfect! Thank you for sending this over. I hope you have a great day!
